

# Converse County Hospital Foundation

## *About Us*

The mission of the foundation is to build a strong financial foundation to promote and insure the continued growth of quality health care in Converse County.

The foundation played a role in the new addition to the hospital, and has supported the advancement of health care in Converse County.

## *Your Gift Makes a Difference*

A gift to the Foundation makes possible the continued excellence of health care to Converse County residents. With the generosity of many individuals, Converse County is able to provide quality care to thousands of people every year. Gifts are used toward the purchase of needed medical equipment which ensures the residents of Converse County that they can receive up-to-date medical attention, close to home.
